Mike DeLong and Becca Young discussed use of Park's building and grounds during Macungie Holiday. Explained committee thought that expense of building and grounds use is recovered by bringing future new customers, same as intent of local businesses that participate in Macungie Holiday.

**Manager's Report:** Amy reported that annual renewal was completed for Bureau of Charitable Organization registration.

Started soliciting sponsors for the 2020 Newsletter with goal to get completed Newsletter into the mail early April.

Re-started process of getting quote from Bailey and Associates for all insurance policies. Being done to shop options for changing providers.

Hail damage claim was filed for damage from hailstorm of May 29, 2019. Independent adjuster representing Harford Mutual Insurance reviewed all accessible areas where hail damage was found on buildings then provided Statement of Loss showing estimated cost of repairs. Met with Fred and Kevin to review statement of loss provided. Based on adjusters estimated cost of repairs, we will currently be receiving actual cash value payment in the amount of \$64,613.20. Recoverable depreciation in the amount of \$38,626.84 will be provided to us as work is completed, based on statement of loss provided. Value of full replacement cost, as approved by Harford is \$103,240.04. \$1,000 deductible was applied. We contact contractors for estimates. If estimate from contractor exceeds estimate provided by adjuster, the adjuster needs to be provided with the estimate for review. Band shell roof was not accessible to adjuster. He was advised by Harford Mutual that an estimate provided by us, from a contractor, for repair/replacement of band shell roof can be included in the claim upon review by Harford.

**Old Business:** Mike DeLong spoke with representative from Acela Engineering who advised that he will attend next meeting to provide update of the study being worked on regarding creek damage.
